AGENDA

Projects--Comprehensive Plan Guest Advisor:

Jason Laumann; Deputy Director of NWRPC (715-635-2197)

Hazard Mitigation should be linked with land use planning so we can be proactive.

Contact Pat Sanchez at the county level to get info on the county plan.

Check with forest service on updates to their fire safety plan that was done with Clam Lake and Spider Lake 2 years ago.

Suggestions:

- Add analysis: ex: how will housing affect land use; (what does this mean and *why* is it important)
- Update census info
- Projections
- Maps (land use, future land use--have landscape or demands changed,
- Progress--what has been completed; are goals still relevant

Projects--Individual Choices:

Maps: Ben Niemann

County Hazard: Sharon Haak

Housing: Denise Picchetti

Utilities: Phone: Blake Olson (Aug. Guest Speaker)

Natural Gas: Denise Picchetti

DNR: Sharon Haak

Transportation (Nancy Phillips): Sarah Gunn

Hayward Chamber of Commerce: Sarah Gunn (Sept. guest speaker)

What will each of these areas be bringing Round Lake Township in the next 5-10 years.
How will/can they help maintain or increase our population and, in turn, stimulate our economic growth?
